# 台灣耳鼻喉頭頸外科醫學會 第119屆學術演講會暨 國際學術研討會

The 119th annual meeting and  
the international conference of the Taiwan Society of  
Otorhinolaryngology Head and Neck Surgery (TSOHNS)

大會手冊  
Conference Handbook

Dear colleagues and friends from around the world,

It is our great honor to warmly invite you to the 2025 Annual Meeting and International Conference of the Taiwan Society of Otorhinolaryngology – Head and Neck Surgery (TSOHNS 2025), to be held this November in Tainan, Taiwan.

This year's meeting will bring together leading specialists from around the world to exchange insights across a broad spectrum of topics, including otology, rhinology, laryngology, head and neck oncology, facial plastic and reconstructive surgery, pediatric otolaryngology, sleep medicine, geriatric medicine, medical humanities, residency training, and continuing education for primary care physicians, as well as legal issues in healthcare. We are delighted to welcome distinguished speakers from the United States, Europe, Australia, Japan, Korea, and Singapore, who will share the latest clinical practices and academic developments in the field.

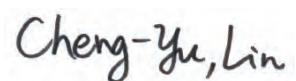

This two-day conference promises to be a truly enriching and inspiring experience.

The 2025 conference also marks the 60th anniversary of TSOHNS, a meaningful milestone that celebrates the achievements and progress of both our Society and of the otorhinolaryngology–head and neck surgery community in Taiwan. We warmly welcome you to join us in commemorating this important occasion.

Our host city, Tainan, is the oldest city in Taiwan and often called the cradle of Taiwanese culture. This year, Tainan celebrates its 300th anniversary, offering a unique backdrop of history, architecture, and local charm. To share this spirit of hospitality, a selection of Tainan's most iconic traditional snacks will be thoughtfully served during the conference breaks—inviting you to enjoy a taste of the city's beloved culinary heritage as part of your academic journey.

We sincerely look forward to welcoming you to Taiwan, and to sharing this meaningful gathering with you in Tainan.

Warmest regards,

Prof. Cheng-Yu Lin  
President, TSOHNS 2025
